

2011 CFMS Show and Convention

May 13-15, 2011, is the date set for the next CFMS Show and Convention. The show is being hosted by Superior California Gem and Mineral Society, Inc. (SCGMS) (www.superiorcal.com). SCGMS is a combination of clubs, the Shasta Gem & Mineral Society (www.shastagemandmineral.com) of Redding, CA, and the Paradise Gem & Mineral Association, Inc. of Paradise, CA (website being worked on at this time).

The show, convention and awards will all be held in one location, the Shasta District Fairgrounds, 1890 Briggs Street, Anderson, CA (just 8 miles south of Redding, CA). Field trips and self guided field trips are being planned. We are very fortunate to have Walt Wright and Bob Jones are on board as our first class speakers!

Forms for non-competitive and competitive displays are located on our website at www.superiorcal.com. Please help support us by putting in your first class displays. This website is being updated monthly.

Stay tuned for more information on the first ever CFMS show in Shasta County in the Shasta Cascade Wonderland (www.shastacascade.com/vg).
